Dear Ed and Barry,

I just wanted to drop both of you a short note to say how much we enjoyed seeing Both of you and your wives last Saturday night. The dinner at Smith and Wollensky turned out to be excellent and "*Rent*" proved to be very interesting.

Also I noticed the attached article this weekend ..... and I have to say "*You're Definitely working your way to the Top of the list*"!

Once again, I enjoyed getting together Saturday and look forward to doing it again in the near future.

Sincerely,

Mark
